

# TUTELA TRANSMISSION GI/E Cod. 1505

## DESCRIPTION

Fully synthetic lubricating oil for hydraulic automatic transmissions and power steering of cars.  
Ideal in rigid climates.

## CHARACTERISTICS

- Particular ATF additives raises the characteristics of extreme fluidity in cold starting and under high temperatures;
- Optimal detergent characteristics guarantee the perfect cleaning of the mechanical parts;
- Excellent properties of heat removal in the transmission components.
- Fully synthetic formulation to ensure excellent thermal-oxidative resistance, therefore prolonging the period between oil changes.

Tutela Car GI/E exceeds the quality requirements of the major European Manufacturers and therefore can be used in cars of every make, type and power rating.

## ADVICE ON USE

Replacement intervals as indicated by Manufacturer.

## RECOMMENDED BY

Fiat, Alfa Romeo, Lancia.
